

We'd like your input on the Statewide Transportation Improvement Plan!

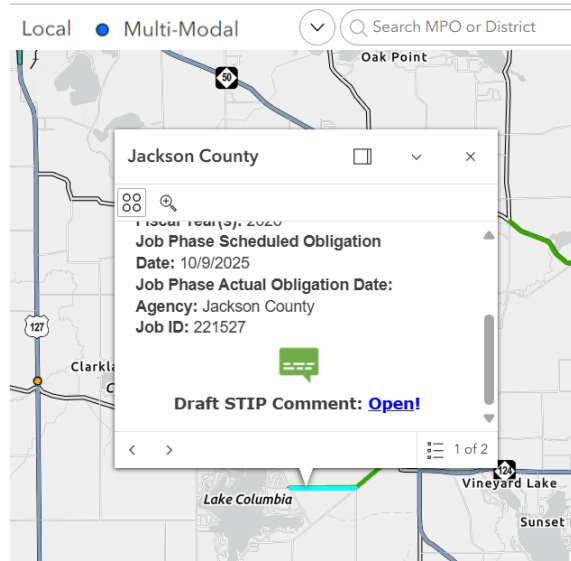

The Michigan Department of Transportation (MDOT) is seeking comments on the project lists in the draft fiscal year 2026-2029 Statewide Transportation Improvement Program (STIP). The STIP describes federally funded transportation projects for the next four years. Please note that the inclusion of a project does not always guarantee construction. Specific projects include road resurfacing, road rebuilding, bridge replacement, intersection improvements, and intelligent transportation system upgrades, as well as active transportation and transit-related projects. A map of the draft list of transportation projects is available online at www.Michigan.gov/STIP. Launch the Michigan Transportation Program Portal and select the Draft STIP tab at the top of the portal page.

Step 1: Zoom in and click on the project of interest.

Step 2: Scroll down to the bottom of the pop-up window and click on "Open!" to submit a draft STIP comment.

Step 3: A separate window with survey questions will open for you to submit your comments.

State Transportation Improvement (STIP) Feedback

Please provide feedback regarding the 2023-2026 STIP and the 2026-2029 Draft STIP with this form.

The STIP is a federally required planning document listing surface transportation projects that MDOT and local agencies plan to fund over four years with available and sufficient federal aid.

Public involvement is integral to the planning process, your thoughts and opinions are always welcome both here and on our general comment form.

For more information about the STIP/TIP please visit [this MDOT webpage](#)

Project Information

Are you interested in answering two additional questions to help us better categorize your comment?

Yes

No

Comment Location

If you have a specific area that your comment applies to, please move the pin to the correct location. This pin defaults at MDOT's main office in Lansing, MI. It is not necessary to move this

Thanks for your feedback!

The complete draft STIP document is currently being finalized. The public comment period for review of the entire document is anticipated to be available between July and August on the MDOT STIP website: www.Michigan.gov/STIP.

If you have any questions, please contact Mark Kloha KlohaM@Michigan.gov or Heather Bowden at BowdenH@Michigan.gov.
